

Embedded

MARGARET
AMBRIDGE

Image: Miss Butterick B6870 (Detail).
Photography by Mark Fitz-Gerald

Embedded - Margaret Ambridge

12 April - 5 May 2024

Embedded explores female agency, capacity and aging through the lens of translucent dressmaking tissue, drawing and making.

Moulding the seemingly fragile tissue exposes the form and strength so often overlooked in women's contributions. A new skin for timeless skills.

Exhibition Opening
Friday 12 April
Welcome at 6pm

Opening Speaker –
Anna Platten (artist)
Gallery will be open 5:30-8pm
Beverages kindly donated
